

# BURT LEWIS (CANADA) INC.

## Whey Protein Concentrate 80% (dry basis)

**Description:** A homogeneous, free-flowing whey protein concentrate powder manufactured from fresh sweet whey coming mostly from white cheddar cheese and spray dried to approximately 80% protein on a dry basis. Provides an excellent source of dairy protein to a variety of processed and special dietary food formulations, yogourt, protein bars, ice cream, mayonnaise, infant formulas, processed cheese and cheese sauces. Whey Protein Concentrate 80 is highly soluble (typical >99%), is light cream to cream in colour with a bland and clean odor and desirable dairy flavour.

<b>Analytical Information</b>	<b>Specification</b>	<b>Typical</b>
Protein (N*6.38) dry basis	80.0 % minimum	81.0%
Protein (as is basis)		77.5%
Fat	8.5% maximum	5.5 +/- 0.5 %
Ash	4.5% maximum	2.9 +/- 0.20 %
Moisture	6.0% maximum	4.8 +/- 0.30%
Carbohydrates (by difference)		<10.0%
pH (10% solution)		6.1
Scorched particles	15.0 mg maximum	7.5 mg

<b>Microbiological Information</b>	<b>Specification</b>	<b>Typical</b>
Standard Plate Count	30000/g maximum	<500/g
Coliform	10/g maximum	<10/g
Yeast	30/g maximum	<10/g
Mold	30/g maximum	
Salmonella	Negative	

### **Packaging**

20kg Kraft paper bags
